

Doctor

July 12, 1940.

Dr. W. H. Branch,
190 Duncan Avenue,
Jersey City, New Jersey.

Dear Dr. Duncan:

On the night of August 6th, 1940, the NEWARK EAGLES will play a baseball game with the PHILADELPHIA STARS at Ruppert Stadium, Newark, N. J. for the benefit of the NEWARK COMMUNITY HOSPITAL. All the proceeds of this game will be used to purchase needed equipment for the hospital.

Our Committee is asking all of our colored physicians to take a box at this game, seating 16 at a cost of \$12.00 or two (2) patrons tickets at \$1.00 each. This Committee is composed of a group of civic minded citizens, anxious to improve the facilities of the hospital, so that our colored nurses, internes and physicians will have the benefit of the best in hospital training. We feel that our physicians should readily cooperate with us in this effort inasmuch as they will be the chief benefactors of improved hospital facilities.

We are asking that you send your check at once to Mrs. Effa Manley, Newark Eagles Baseball Office, 101 Montgomery St., Newark N. J., and tickets will be sent to you, and your name listed as a patron in our special score card.

Very truly yours,

THE COMMITTEE FOR BENEFIT OF THE COMMUNITY
HOSPITAL.
